* PRAYER
of CONFESSION

God of grace and glory, we come to you today
confessing that we often fall short of living fully into
our potential. We have kept our good gifts to
ourselves when we should have shared them with
others. We have missed opportunities to stand up for
you and share our faith. We are thankful that you
judge us not by the perfection of our actions, but by
our readiness to live boldly by faith. Help us, on our
own, and as your people in this place, to trust you and
follow where you lead, that in Christ your name may
be glorified in all the earth. Amen.

* RESPONSE

Lord, have mer - - - cy up - on us.
Christ, have mer - - - cy up - on us.
Lord, have mer - - - cy up - on us.

The Rock Slinger and His Greatest Hit

Music by Allen Pote and Words by Tom Long

We Will March

March, we will march
we will march and take a stand.
Go, we will go,
we will go where the king commands.
Shout! Give a shout!
Raise a battle cry
for you, YAH-WEH!
This day we will live or die!

Moses stood at the Red Sea side.
The voice of God said: "Forward ride
straight through death to the Promised
Land, and I will march at your right
hand."

*Junior Choir, Glorious Voices
Soloists: Evan Crowley-Perry, Erin Colaluca*

March, we will march...
Joshua at the walls of Jericho
blew his horn, said "Go man, go!"
He rocked and rolled with such a sound,
He rolled those rocks right down to the
ground.

March, we will march...

Deb'ra fought on the battlefield.
She made those men of Canaan yield.
By the power of the Lord, it's true,
there's nothin' that a woman of God
can't do!

March, we will march...

Goliath of Gath

He's big, he's hairy, he's ugly and he's scary. His ways are wicked and his words are rude. When he's through with you, there's nothing left to bury. He's six big cubits of attitude.

His armor coat's a hundred pounds, this monster man from Gath. And you could fill his helmet up,

Who Will Fight the Giant

Who will fight the giant?
Somebody else, not me!
We'd all love to see what a hero would do. But we are not heroes for one thing is true: the one who is brave, courageous and bold, is not very likely to ever grow old.

Friends in the Lord

I'll stand with you, you'll stand with me. We'll stand for God for all to see, stand straight and tall when others bend, and in the Lord, we'll stand as friends.

One is lost.
The other finds the road.
One is weak.
The other takes the load.
One is harmed.
The other one defends.
One's as strong as two when they are friends.

Junior Choir, Glorious Voices, Jokers

and use it for a bath!
He's big, he's hairy...

With nineteen pounds of deadly blade on a tree trunk for a spear, and shinguards made of solid bronze, he'll kick you through next year!

He's big, he's hairy...

Junior Choir, Glorious Voices, Excuses

Who will fight the giant?...

When I see the honor and I see the fame, I still can't forget how he murders and maims. For riches and land a princess to wed are hard to enjoy when you're missing your head!

Who will fight the giant?...

Junior Choir, David, Michal

I'll stand with you...

One will go where the other leads.
One feels pain when the other bleeds.
One will cheer when the other wins.
Two can be like one when they are friends. Have you seen when two or three who love the Lord, gather close, they have their hope restored? Each on each is leaning to depend. The Lord's a little closer when you're friends.

I'll stand with you...

Every Shepherd Knows

Shepherd, Junior Choir

Every shepherd knows in the heat of the day, go before the lambs and lead them on the way. When the flock is hungry you must walk close by, finding greener fields where tired sheep can lie.

Every shepherd knows at the time of sleep, always stay awake to safely guard the sheep. For when danger threatens only you are there, laying down your life to save those in your care.

Dressing for Battle

Put on the armor, tighten the straps, button the buttons, and fasten the snaps. Shine all the iron, polish the wood. You gotta admit: the boy is lookin' good. Surely your faith will dazzle the Lord but just to be safe you should sharpen your sword. Though he is only a kid in a can, you gotta admit: the armor makes the man!

Don't forget to tie your sandal, grab a shield and grip the handle, here is where you strap a spear and hold it to

My God Is

Junior Choir, David, Megan Stout, and Madeline Veitch, speakers

Though the danger I face is nine feet tall, sharper than a sword and spear; when I wear the name of the Lord my God, I will not fear. Though the valley I walk is dark as death, and the end of the road is near; When I wear the name of the Lord my God, I will not fear.

Are you taller than a mountain?
My God is. Stronger than a hurricane?
My God is. Brighter than a lightning flash at night, faster than a hunting

Every shepherd knows sheep will follow through the night, when they trust the one who leads, leads the way to light. And every shepherd knows one more thing is true: there's a greater Shepherd watching over you.

God will go before you through the darkest day, laying down his life to guard you on the way.

You can trust the leading, you can trust the care of the loving Shepherd who is always there.

Commander, Junior Choir

you. Don't forget to buckle up your helmet and to knuckle down and follow all the things that we have told you to do. Check to see your plates are tightened, then in case you're really frightened, they will never notice if you shiver and shout. Even though Goliath's stronger, you can live a little longer if you stay inside the suit and never come out!

Put on the armor...

hawk in flight, Greater than the fiercest lion's roar: My God is this and more.

Quicker than a panther! My God is.
Taller than a redwood! Deeper than the ocean! Higher than the heavens!
Stronger than an earthquake! Faster than a meteor! Brighter than a comet!
Greater than a galaxy. My God is!

Though the danger I face is nine feet tall...

The Battle Song

Junior Choir, David, Goliath

What's this I see before me?
I can't believe my eyes.
His feet are in the valley, his head is in
the skies. And now he is coming toward
us, he's coming closer still. He's moving
like a man, he's looking like a hill. We're
standing in his shadow, he's blocking
out the sun; the better part of valor is
knowing when to RUNNNNN!

They stand and face each other, they
circle to the right. It looks as though
Goliath is sure to win the fight.

Now David's moving left. It's like an
awful dance. He's waltzing with a giant.
He hasn't got a chance! Goliath's taking
aim. It's David's time to die. He raises up
his sling and lets a pebble fly!

Can it be? Can it be?
What was that shocking sound?
The stone has flown and found its mark,
the big guy's going DOWNNNNN!

Our God Is Great

Cast

Come on, everybody, let me hear you
say it, let me hear you say: Our God is
great!

A mighty deed, a tale to tell, He raised
his hand and the giant fell. The nations
hear, the vict'ry yell: There is a God in
Israel.

Come on, everybody...

We face the day, without a fear, and
claim the land for a thousand years.

A tiny stone defeats a spear. Who can
deny our God is here!

Come on, everybody...

Though great the size of enemies, I
stand my ground and I will not flee. For
in my heart, my God will be. There is a
giant inside of me!

Come on, everybody...
